# Cruise to Wickenburg

Date: Sunday Dec 3rd, 2006  
 Bring at least one new unwrapped toy  
 Meet Time: 9:00 am .. Location see below  
 Coffee & Donuts at the meeting place  
 Cruise Time: 10:00 am  
 Start Time: 11 :00 am  
 Please remember at 10:00 am there will be 150 people moving out of the Community Center where the car show is to take place so getting there early can only create a bigger traffic jam.

The car show will once again be at the Community Center. We will have hot dogs, bratwurst, and soda pop available plus there is shopping & food within walking distance.  
 We will once again have Arts & Crafts and Vendors inside the Community Center. Spaces are available. A non-commercial hobbyist is \$5.00 and commercial space is \$25.00.  
 Call 602-943-3532 to reserve your spot.

Meet Location is Honeywell, the same as years past, however they are putting a building right in the middle of the south parking lot that we use. So we will be using the north parking lot with access off I-17 Exit 214-B, the Union Hills/Yorkshire exit. You will turn right at Yorkshire which becomes Utopia and then turn right into the Honeywell parking lot.
